Education:

Pre-Doctoral Internship Program in Clinical-Forensic Psychology (APA Approved)
September 1995 - August 1996
University of North Carolina at Chapel Hill School of Medicine, Department of Psychiatry and
Federal Correctional Complex - Butner, North Carolina

Doctor of Philosophy: Clinical Psychology (APA Approved)
August, 1996
Program Area: General Clinical Psychology
Georgia State University, Atlanta, Georgia

Master of Arts: Clinical Psychology
August, 1992
Program Area: General Clinical Psychology
Georgia State University, Atlanta, Georgia

Bachelor of Arts
May, 1987
Major: Psychology
Gordon College, Wenham, Massachusetts

Dissertation, Thesis, and General Examination Areas:

Dissertation: "Factors associated with denial in a sample of alleged sex offenders"
Chairpersons: Michael A. Milan, Ph.D. and C.L. Holland, Ph.D.

General Examination Topic: "Adolescent sex offenders"
Chairperson: Michael A. Milan, Ph.D.

Thesis: "Caring for the disabled family member: Everyday difficulties encountered
and their relationship to stress"
Chairperson: Michael A. Milan, Ph.D.

Work Experience:Applied Research Services, Inc., Atlanta, GA

May 2007 - Present

Senior Researcher

Conduct and manage large scale research and evaluation projects, develop and implement complex, comprehensive research methodologies. Develop and assess risk/needs assessments, simulation models and cost benefit analyses and provide comprehensive consultation in areas of justice reinvestment. Provide consultation to local, regional, and national agencies, organizations and institutions on matters of research, evaluation design, and data and policy analysis. Provide evaluation and technical assistance to a wide range of problem-solving courts. Develop logic models and a variety of graphically-oriented data display systems. Lead, train and oversee research teams in above areas.

Highland Institute - Atlanta, Atlanta, GA

Aug. 1999 - Present

Director, Forensic Services

Perform forensic psychological evaluations in criminal and civil matters concerning issues of competency, dangerousness, responsibility at the time of the offense, and diagnostic evaluations, among others. Serve as expert witness in areas of sexual offending and dangerous behavior in family, superior, and federal courts. Provide direct clinical services including assessment, group therapy, and individual therapy to persons with (or alleged to have exhibited) sexual behavior problems.

Wellsys Corporation, Atlanta, GA

Aug. 1999 – July 2007

Director of Research and Evaluation

Provide consultation in all areas of service program design, implementation, and evaluation. Conduct process and outcome evaluations, provide advisement in performance measurement, instrument design, and organizational management. Design prevention and treatment focused interventions for a variety of issues and populations. Develop, implement, and provide instruction in areas of data acquisition, management, storage, analysis, and presentation. Train and oversee field research staff in above areas.

North Carolina Department of Correction, Division of Prisons, Lillington, NC

Feb. 1997 - July 1999

Psychological Services Coordinator, Director of the SOAR Program

Director of the Sex Offender Accountability and Responsibility (SOAR) program, the 52-bed residential sexual offender treatment program of the North Carolina Department of Correction. Train and supervise staff, graduate student interns, and practicum students. Conceptualize treatment strategies and modalities, plan and implement treatment delivery services, and train correctional mental health staff state-wide in the delivery of treatment to incarcerated sexual offenders. Serve on a panel of experts charged with determining whether selected offenders meet statutory criteria to be classified as Sexually Violent Predators. Plan and direct research efforts and provide consultation to various community organizations and media services concerning issues related to sexual offending. Supervisor: Keith O. Noles, Ph.D.

North Carolina Department of Correction, Division of Prisons, Lillington, NC

Nov. 1996 - Jan. 1997

Staff Psychologist II, SOAR Program

Responsible for provision of therapeutic services to incarcerated male sex offenders within a cognitive behavior therapy (CBT) based relapse prevention model. Conceptualized and modified treatment modules, performed comprehensive psychological testing batteries, composed reports, and directed research efforts. Supervisor: Carol Newman, Ph.D.

Work Experience, cont.:Forensic and Statistical Analysis, Lilburn, GA

October 1991 - Aug. 1999

Consultant

Provide consultation on matters of experimental design, data collection and associated topics, with an emphasis placed upon statistical analysis and interpretation of results. Services have been provided to university professors, state agencies and departments, private firms, and numerous students engaged in thesis and dissertation research. Representative projects include designing a risk assessment instrument for probated sexual offenders, a study of coping and adaptation in families of pediatric AIDS patients, designing analytic strategies for large-scale surveys, the institution and direction of systematic programs of research for various treatment facilities.

Highland Institute - Atlanta, Atlanta, GA

March 1994 - August 1995

Therapist, Researcher

Responsible for co-leading groups of adult and adolescent sexual offenders using a variety of cognitive-behavioral, behavior modification, and relapse prevention techniques, focusing on the correction of thinking errors and the redirecting of sexual arousal to appropriate stimuli. Instituted and directed research programs assessing various areas of service delivery and effectiveness. Supervisor: Deloris Roys, Ph.D., LCSW.

Emory University School of Medicine, Department of Psychiatry, Atlanta, GA March 1990 - August 1995

Project Coordinator

Provided comprehensive assistance in and direction of all phases of research, including design and construction, data collection, administration and scoring of psychological testing batteries, interpretation of findings, and the writing of peer-reviewed articles on several nationally funded, grant-supported projects. Solely responsible for the design and construction of computerized databases and the statistical analysis of data. Provided supervision and instruction to twelve graduate and medical student research assistants in above areas. Supervisor: Ronald T. Brown, Ph.D.

Georgia State University, Department of Psychology, Atlanta, GA

September 1992 - June 1995

Instructor

Teaching of undergraduate Psychological Statistics course, Abnormal Psychology Course, Psychology of Human Potential, and Criminal and Delinquent Behavior. Responsible for the conceptualization, development, and delivering of lectures, development and grading of exams and other graded material, and training and supervision of graduate student assistants. Various supervisors.

Training and Practicum Experience:Federal Correctional Complex - Butner, NC

September 1995 - August 1996

Psychology Intern

Provided assessment and treatment services to participants in the Federal Sex Offender Treatment Program (SOTP), including individual and group therapy, pre- and post-treatment psychosexual assessments, and the composition of comprehensive treatment summaries for Federal Parole Boards. Performed comprehensive evaluations for the federal court system, including pre-trial evaluations of competency and responsibility, dangerousness assessments, and pre-sentencing evaluations. Participated in numerous workshops and seminars focusing on a wide variety of forensic and professional issues. Supervisor: Edward E. Landis, Ph.D.

Training and Practicum Experience, cont.:North Carolina Memorial Hospital, UNC - Chapel Hill, NC

September 1995 - August 1996

Psychology Intern

Functioned as a member of an interdisciplinary team at the Child Trauma and Maltreatment Center of the Department of Psychiatry, assisting in the evaluation of complex cases of suspected child abuse. Also served as a therapist on the Family Therapy Team (also in the Department of Psychiatry), providing family therapy and participating in peer supervision and seminars. Provided individual therapy and crisis intervention at the Student Psychology Services Clinic. Supervisors: Mark Everson, Ph.D., Elisabeth Scott, CCSW.

Dorothea Dix Hospital - Raleigh, NC

January 1996 - April 1996

Psychology Intern

Performed assessment, treatment, and case management services as a member of a multi-disciplinary team at the Adolescent Admissions Unit of a State Psychiatric Hospital. Served as an informal advisor and provided in-service training on matters involving adolescent sex offenders. Supervisor: Jean Renze-Eilers, Ph.D.

Georgia State University - Atlanta, GA

August 1992 - July 1995

Psychology Trainee

Provided individual psychotherapy at the Psychotherapy and Behavior Therapy Clinic of the Department of Psychology. Services included crisis intervention and short- and long-term therapy for members of the Georgia State University community. Supervisor: Robert Brown, Ph.D.

Grady Memorial Hospital, Emory University - Atlanta, GA

September 1992 - August 1993

Practicum Student

Performed comprehensive assessment services at the Attention Deficit Disorders Clinic of the Department of Psychiatry. Provided diagnostic and consultative services for children with a variety of externalizing behavior disorders including ADHD, conduct disorder, and oppositional defiant disorder. Conducted research on factors contributing to stress in caregivers of children with ADHD. Supervisor: Ronald T. Brown, Ph.D.
